

Middle Ordic Lexicon — Core Words (v0.1)

• se lin	authorized path	• ßo dur	binding persists
• vu lin	denied path	• ßo pun	binding enacted
• se set	authorized structure	• ßo pra	binding completed
• vu set	denied structure	• ßo ret	binding restored
• se ord	authorized order	• ßo qe	binding unstable
• vu ord	denied order	• ßo na	binding severed
• se mu	authorized record	• ßo eq	binding aligned
• vu mu	denied record	• ßo dif	binding uneven
• se ßo	authorized bond	• ßo al	total binding
• vu ßo	denied bond	• ßo dar	binding enforced
• dar ord	order must be followed	• vi mu	record reviewed
• dar set	structure must be followed	• vi set	procedure reviewed
• dar lin	path must be taken	• vi ord	order reviewed
• dar mu	record must persist	• vi ßo	bond reviewed
• dar ßo	bond must be maintained	• vi jur	law reviewed
• dar jur	law must apply	• vi te	truth reviewed
• dar te	truth must be asserted	• vi qe	question reviewed
• dar ret	return required	• vi eq	alignment verified
• dar dur	continuance required	• vi dif	divergence detected
• dar al	total mandate	• vi al	total review
• set dur	procedure ongoing	• jur set	legal structure
• set pun	procedure enacted	• jur lin	legal path
• set pra	procedure completed	• jur mu	legal record
• set pos	procedure scheduled	• jur ßo	legal bond
• set ret	procedure restarted	• jur ord	legal order
• set qe	procedure questioned	• jur qe	legal uncertainty
• set na	procedure void	• jur na	law void
• set eq	procedure aligned	• jur eq	law aligned
• set dif	procedure misaligned	• jur dif	law conflicting
• set al	total procedure	• jur al	total law
• mu dur	record retained	• lin dur	flow continues
• mu pun	record fixed	• lin pun	flow enacted
• mu pra	record closed	• lin pra	flow ended
• mu pos	record pending	• lin pos	flow pending
• mu ret	record restored	• lin ret	flow rerouted
• mu qe	record questioned	• lin qe	flow uncertain
• mu na	record void	• lin na	flow blocked
• mu eq	record aligned	• lin eq	flow stable
• mu dif	record divergent	• lin dif	flow disrupted
• mu al	total record	• lin al	total flow
		• te ord	order declared true

• te jur	law declared true	• na mu	record frozen
• te mu	record declared true	• na ßo	bond suspended
• te set	procedure declared true	• na ord	order suspended
• te ßo	bond declared true	• na jur	law suspended
• na qe	uncertainty denied	• na te	truth suppressed
• na dif	divergence denied	• na qe	questions silenced
• na vi	review denied	• na al	total suspension
• na ret	return denied	• gra set	procedure spared
• na gra	mercy denied	• gra mu	record spared
• qe set	procedure in exception	• gra ord	order softened
• qe mu	record disputed	• gra jur	law softened
• qe ord	order challenged	• gra ßo	bond spared
• qe jur	law challenged	• gra lin	path allowed despite deviation
• qe lin	path uncertain	• gra te	truth tolerated
• qe ßo	bond unstable	• gra qe	doubt tolerated
• qe te	truth questioned	• gra dur	continuance permitted
• qe dur	continuance uncertain	• gra al	system-wide leniency
• qe ret	return uncertain	• dar set	procedure enforced
• qe al	system-wide exception	• dar mu	record enforced
• vi qe	exception reviewed	• dar ord	order enforced
• vi qe set	procedure exception reviewed	• dar jur	law enforced
• vi qe mu	record exception reviewed	• dar ßo	bond enforced
• vi qe ord	order exception reviewed	• dar lin	path enforced
• vi qe jur	legal exception reviewed	• dar te	truth enforced
• vi qe ßo	bond exception reviewed	• dar dur	continuance enforced
• vi qe te	truth exception reviewed	• dar ret	return enforced
• vi qe dur	continuance exception reviewed	• dar al	total enforcement
• vi qe ret	return exception reviewed	• eq set	procedure normalized
• vi qe al	total exception reviewed	• eq mu	record normalized
• ret set	procedure rolled back	• eq ord	order normalized
• ret mu	record restored	• eq jur	law normalized
• ret ord	order restored	• eq ßo	bond normalized
• ret jur	law reinstated	• eq lin	path normalized
• ret ßo	bond re-established	• eq te	truth normalized
• ret lin	path rerouted	• eq dur	continuance normalized
• ret te	truth reasserted	• eq qe	uncertainty normalized
• ret dur	continuance resumed	• eq al	system normalized
• ret qe	uncertainty resolved	• pra set	procedure closed
• ret al	system-wide rollback	• pra mu	record closed
• na dur	continuance suspended	• pra ord	order closed
• na lin	path suspended	• pra jur	law closed
• na set	procedure halted	• pra ßo	bond closed
		• pra lin	path closed
		• pra te	truth closed

• pra qe	question closed	• lim al	absolute system limit
• pra dur	continuance ended	• al dur lin	all paths saturated
• pra al	system closed	• al dur mu	all records saturated
• set dur ord	procedure repeats order	• al dur set	all procedures saturated
• set dur mu	procedure repeats record	• al dur ord	all orders saturated
• set dur ßo	procedure repeats binding	• al dur ßo	all bindings saturated
• set dur lin	procedure repeats path	• al dur jur	all law saturated
• set dur jur	procedure repeats law	• al dur te	all truth saturated
• set dur te	procedure repeats truth	• al dur qe	all uncertainty saturated
• set dur set	procedure self-repeats	• al dur dur	total strain
• set dur al	procedure repeats globally	• al dur al	system overload
• dur set dur	continuous automation	• eq lin dur	flow stabilized
• dur dur	self-sustaining repetition	• dif lin dur	flow destabilized
• eq lin lin	paths synchronized	• eq set dur	procedure stabilized
• eq mu mu	records synchronized	• dif set dur	procedure destabilized
• eq set set	procedures synchronized	• eq mu dur	record stabilized
• eq ord ord	orders synchronized	• dif mu dur	record destabilized
• eq ßo ßo	bindings synchronized	• eq ord dur	order stabilized
• eq jur jur	laws synchronized	• dif ord dur	order destabilized
• eq te te	truth synchronized	• eq al dur	system stabilized
• eq dur dur	continuance synchronized	• dif al dur	system destabilized
• eq qe qe	uncertainty synchronized	• na set dur	procedure stalls
• eq al al	system-wide sync	• na lin dur	flow stalls
• dur lin al	path under total load	• na mu dur	record stalls
• dur mu al	record under total load	• na ord dur	order stalls
• dur set al	procedure under total load	• na ßo dur	binding stalls
• dur ord al	order under total load	• na jur dur	law stalls
• dur ßo al	binding under total load	• na te dur	truth stalls
• dur jur al	law under total load	• na qe dur	question stalls
• dur te al	truth under total load	• na dur dur	continuance stalls
• dur qe al	uncertainty under load	• na al dur	system stall
• dur dur al	continuance strained	• te ord dur	order continuously declared true
• dur al al	system saturation	• te jur dur	law continuously declared true
• lim lin	path capacity limit	• te set dur	procedure continuously declared true
• lim mu	record capacity limit	• te mu dur	record continuously declared true
• lim set	procedure capacity limit	• te ßo dur	bond continuously declared true
• lim ord	order capacity limit	• te lin dur	path continuously declared true
• lim ßo	binding capacity limit	• te dur dur	continuance continuously justified
• lim jur	law capacity limit	• te al dur	system continuously justified
• lim te	truth tolerance limit	• te qe dur	doubt continuously reframed
• lim qe	uncertainty tolerance limit	• te na qe	uncertainty declared false
• lim dur	endurance limit	• na qe dur	doubt repeatedly denied
		• na dif dur	divergence repeatedly denied
		• na vi dur	review repeatedly denied

• na ret dur	return repeatedly denied	• gra lin dur	path softened but enforced
• na gra dur	mercy repeatedly denied	• gra te dur	truth softened but enforced
• na šae dur	calm repeatedly denied	• gra qe dur	doubt tolerated but neutralized
• na mu dur	memory repeatedly denied	• gra na ret	forgiveness without return
• na ßo dur	bond repeatedly denied	• gra al dur	systemic soft control
• na te dur	truth selectively denied	• al te ord	total belief in order
• na al dur	systemic denial	• al te jur	total belief in law
• šae na	calm suppressed	• al te set	total belief in procedure
• gra na	mercy suppressed	• al te mu	total belief in record
• qe šae na	quiet doubt suppressed	• al te ßo	total belief in bond
• qe gra na	merciful doubt suppressed	• al te lin	total belief in path
• šae eq dur	calm normalized	• al te dur	total belief in continuance
• gra eq dur	mercy normalized	• al te al	total belief in system
• qe eq dur	doubt normalized	• al na qe	total absence of doubt
• es šae na	being denied calm	• al na gra	total absence of mercy
• es gra na	being denied mercy	• pra set dur	procedure completed and sealed
• es qe na	being denied doubt	• pra mu dur	record completed and sealed
• vi te ord	order verified as true	• pra ord dur	order completed and sealed
• vi te jur	law verified as true	• pra jur dur	law completed and sealed
• vi te mu	record verified as true	• pra ßo dur	binding completed and sealed
• vi te set	procedure verified as true	• pra lin dur	path completed and sealed
• vi te lin	path verified as true	• pra te dur	truth completed and sealed
• vi te dur	continuance verified as true	• pra qe dur	question closed permanently
• vi te al	system verified as true	• pra dur dur	continuance finalized
• vi na qe	reviewed absence of doubt	• pra al dur	system finalized
• vi na dif	reviewed absence of divergence	• jur na ßo	lawful severance of bond
• vi na ret	reviewed absence of return	• jur na lin	lawful removal of path
• dur te ord	truth through repetition of order	• jur na dur	lawful cessation
• dur te jur	truth through repetition of law	• jur na mu	lawful deletion of record
• dur te set	truth through repetition of procedure	• jur na gra	lawful denial of mercy
• dur te mu	truth through repetition of record	• jur na šae	lawful denial of calm
• dur te ßo	truth through repetition of bond	• jur na ret	lawful denial of return
• dur te lin	truth through repetition of path	• jur na qe	lawful suppression of doubt
• dur te dur	truth through repetition itself	• jur na te	lawful suppression of truth
• dur te al	systemic truth by repetition	• jur na es	lawful negation of being
• dur na qe	persistent suppression of doubt	• na mu pra	record erased and closed
• dur na gra	persistent suppression of mercy	• na lin pra	path erased and closed
• gra ord dur	order softened but enforced	• na ßo pra	bond erased and closed
• gra jur dur	law softened but enforced	• na dur pra	continuance erased and closed
• gra set dur	procedure softened but enforced	• na qe pra	question erased and closed
• gra mu dur	record softened but enforced	• na gra pra	mercy erased and closed
• gra ßo dur	bond softened but enforced	• na šae pra	calm erased and closed
		• na te pra	truth erased and closed
		• na ord pra	order erased and closed

• na al pra	systemic erasure	• vi pra mu	record reviewed after closure
• eq na mu	erasure normalized	• vi pra set	procedure reviewed after closure
• eq na lin	path loss normalized	• vi pra ord	order reviewed after closure
• eq na ßo	bond loss normalized	• vi pra jur	law reviewed after closure
• eq na dur	cessation normalized	• vi pra ßo	bond reviewed after closure
• eq na qe	silenced doubt normalized	• vi pra lin	path reviewed after closure
• eq na gra	absence of mercy normalized	• vi pra te	truth reviewed after closure
• eq na šae	absence of calm normalized	• vi pra qe	question reviewed after closure
• eq na te	absence of truth normalized	• vi pra dur	continuance reviewed after closure
• eq na ord	absence of order normalized	• vi pra al	system reviewed after closure
• eq na al	total disappearance normalized	• pra	closed
• dur pra ord	order persists only as completion	• na	denied
• dur pra jur	law persists only as completion	• eq	normalized
• dur pra set	procedure persists only as completion	• dur	continues
• dur pra mu	record persists only as completion	• ord	order
• dur pra ßo	bond persists only as completion	• jur	law
• dur pra lin	path persists only as completion	• set	procedure
• dur pra te	truth persists only as completion	• mu	record
• dur pra dur	continuance persists only as inertia	• al	system
• dur pra qe	doubt persists only as trace	• ...	administrative silence
• dur pra al	system persists only as habit		

Notes: Middle Ordic stabilizes meaning through repetition. Truth becomes compliance; calm becomes absence of deviation.
